

Supply Chain Manager - For Our Order Processing Centre

Norit Südmo is part of the Norit Group that is active on the international scene. We employ 300 persons at our Riesbürg, Germany location with performance ranging from manufacturing world-class stainless steel fittings to building fully automatic production plants for the beverage, foodstuffs and pharmaceutical industries.

If you are a team player who appreciates lean structures and uncomplicated decision-making processes and are seeking a position at a company active in the global environment, we are just right for you.

Your duties will be:

- Defining and launching continuous logistics routines and processes
- Planning and guiding production orders
- Being responsible for material planning for purchased and production components
- Being responsible for inventory
- Drawing up analyses and evaluations in warehousing/logistics

The skills you have:

- Commercial or technical certificate, ideally with a college degree
- Professional experience in this field in a comparable position
- Outstanding analytical capabilities
- Confidence in dealing with figures and corporate- and strategy-driven thinking habits
- Perfect command of written and spoken English
- Mastery of the common MS Office products such as Word, Excel, Outlook and ERP systems (such as INFOR or SAP)

The successful candidate will have independent working habits, be geared to results and cost-conscious as well as demonstrating a high level of initiative, commitment and flexibility. You meticulously analyse problems, have excellent communication skills and are a confident personality with passion and commitment.

We have a dynamic environment to offer you where working creatively is fun, where performance is not only in demand but also encouraged and where professional prospects are in the offing.

If you have the right qualifications and background, please send us your complete application documents and salary expectations along with the earliest date when you can start (by email wherever possible).
